

RAJESH CHANDIRAMANI

CEO (Designate), Comviva Technologies Limited

Rajesh Chandiramani, popularly known as RC, brings over 30 years of comprehensive experience in spearheading global programs and initiatives across diverse organizations.

He has played a pivotal role as a leader at Tech Mahindra, where he served as the Business Unit Head for crucial regions spanning the UK, Europe, Middle East, Africa, Asia Pacific, Japan, and India within the Communications, Media & Entertainment Vertical. Additionally, he has steered the Global Digital Business, overseeing Cloud, Data and Analytics, Artificial Intelligence (AI), Cybersecurity, and Blockchain initiatives. Rajesh has also led the Strategic Business Unit of APAC Enterprise business, driving substantial growth across diverse verticals. His tenure as the head of the Europe business for Tech Mahindra, lasting five years, played a transformative role in enhancing enterprise and telecom businesses throughout European countries.

An alumnus of prestigious institutions such as Harvard Business School and Michigan University, Rajesh brings a wealth of knowledge and insights to managing businesses, encompassing a wide range of high-value solutions including IT applications, infrastructure, networks, consultancy, and professional services.

Having held senior positions at renowned multinational organizations such as BCGI, Cap Gemini, Comverse, Tata, Global Tele-systems, and Hughes Network Systems, Rajesh is esteemed for his leadership acumen, strategic vision, and unwavering commitment to driving digital impact. As a leader poised to shape the future of technology, Rajesh Chandiramani epitomizes excellence in the realm of business leadership.
